WATER ANALYSIS REPORT

*Enclosed please find the water analysis report from the lab for the above listed property. As indicated in the report, some or all the parameters tested **DO** comply with NJ DEP standards. Please review the reports carefully and feel free to contact our office if you have any questions.

The following parameters were tested:

Lead & Copper – 4 Locations

** indicates parameters that do not meet NJ DEP standards.

When submitting reporting forms to any organization, RAdata strongly recommends you retain a copy for your files. RAdata & the labs retain copies if something should happen to your copies.

Thank You,

A handwritten signature in black ink that reads "Stephanie Leenstra".

Stephanie Leenstra
Field Services Manager
